1st April 2020

Dear Parents and Carers

Home Learning Update

I hope this letter finds you all safe and well. The team at Lydalls miss seeing you and your children each day.

Many of you have already replied to your child's key person's 'checking in' message on Tapestry. If you haven't already, please do touch base by replying to this.

We are so grateful for all the messages of feedback, support and 'likes' on both Tapestry and Facebook for the content we are sharing and uploading. Please do let me know if there are additional things which you would find helpful, by emailing the office.

Moving forward, we will have a focus to our home learning content each week and will add material on Tapestry and Facebook, which supports this. Our first focus will have an Easter theme, which will begin in the next few days and take us to the end of the first week back, after what would have been the Easter break (week beginning 20.04.20). In addition to the weekly focus, Claire-Louise and Lucy will also continue to post their weekly phonics and maths games and we will also add other relevant uploads, such as growing or caterpillar updates.

During these Easter holidays I am encouraging the Lydalls team to take a break and so you will notice a reduction in content and replies to your posts during this time. You can continue to contact me via the office email or school mobile. Please do not hesitate to get in touch with questions, queries or for help and support.

Best wishes,

Sarah Phillips

Headteacher
